MENTAL HEALTH RESOURCE

The poster features a large, faint background illustration of a person's head in profile, facing right. Inside the head, there are colorful, abstract shapes representing thoughts or emotions. In the foreground, two women are sitting on a couch, engaged in a conversation. One woman is wearing a purple jacket and the other is wearing a white top and purple pants. A speech bubble with a tangled line inside is positioned between them, symbolizing mental health struggles. The text is in a clean, sans-serif font, with key information highlighted in bold and color.
